

HINSDALE COUNTY SCHOOL DISTRICT RE-1

Substitute Teacher and Classified Position Application

Historic and remote Lake City is located 55 miles south of Gunnison in southwest Colorado. Hinsdale County is a sparsely populated wilderness county, stretching over a vast amount of publicly held land (97%). Lake City is surrounded by five 14'ers including one of the most magnificent - Uncompahgre Peak - and nestled against crystal clear Lake San Cristobal. Situated at 8671 feet in the heart of the San Juan Mountains, Lake City was a booming mining town in the late 1800s and has seen a rebirth in the last 25 years as a tourist destination and second home for seasonal residents. Our mountain setting is ideal for backpacking, hiking, camping, boating, fishing & ice-fishing, horseback riding, jeeping, hunting, ATVing, mountain biking, rafting, cross-country skiing, snow shoeing, snowmobiling, ice climbing and historic tours.

Hinsdale County School District is one of the oldest on the Western Slope, first established in 1876. Its original school building, built in 1880 and remodeled in 1949, housed primary through high school grades. In 1986 the present facility was built and a 2003 addition completed our building as the PK-12 Lake City Community School, a John Irwin School of Excellence. Hinsdale County RE-1, Accredited with Distinction by the Colorado Department of Education, prides itself on high academic performance, an excellent professional staff and strong community support.

Vision

Hinsdale County School District offers exemplary and innovative education for every student by utilizing our highly qualified staff, diverse student population, unique size, mountain location and community resources.

Mission

Hinsdale County School District RE-1 is a unique and dynamic educational community that includes all students, families, staff and community members, creating a learning environment for all students that is individualized, academically challenging, lively, enriching, safe, respectful and caring. We cultivate students' natural curiosity and extend their learning to our unique natural environment. We strive to prepare students for lifelong learning, responsible citizenship and a balanced, productive life.

Hinsdale County School District Values

The District is guided by the following beliefs and values:

Learning:

- Learning happens best when it is on a flexible continuum, is individually paced, attends to each student's diverse learning style and offers appropriate acceleration, enrichment and multi-graded grouping.
- Sparking student's natural curiosity, and allowing them opportunity to pursue mastery of subjects of greatest interest to them, makes school meaningful, lively exciting and fun.
- Successful academic programs are individualized, dynamic, challenging, standards based, enriching, balanced and research based.
- Age appropriate and integrated use of technology is vital to the education of students
- Our physical surroundings and community offer invaluable learning opportunities for all students, families, staff and community members.

Individual Children:

- EVERY child is able to learn and is entitled to an exemplary, innovative, and well-balanced education.
- EVERY individual has worth, talent, and special ability
- Individuals learn in a variety of ways. Academic, social and emotional needs of students are recognized and appreciated for their uniqueness.
- An appreciation of individual strengths, culture and diversity enriches all learning.

Families and Community:

- The family is the foundation of society from which our values and beliefs begin and has the final authority and responsibility for the education of its children.
- The school recognizes and honors the right to individual family beliefs and values.
- School, family, and community are partners in the educational process. Family participation is highly valued and sought.
- The quality of education affects the quality of our community.

Teaching Staff and Administration

- The Superintendent is the educational leader and is responsible for the safe and effective administration of the students, staff and facilities.
- Every child deserves to be taught by a talented, competent, effective, dedicated, enthusiastic and highly qualified teacher.
- Every effort will be made to recruit, develop and retain excellent teaching and administrative staff.
- Students benefit and teachers are most satisfied and effective when teachers are mentored, the staff functions as a team and opportunities for professional development are provided.

Civic Responsibility:

- Service projects, community services and involvement in community and civic affairs are cornerstones to prepare students for active citizenship and engagement in a democracy.
- Students need opportunities to participate meaningfully in all arenas of school life, for example: policies, classroom instruction, dispute resolution and goal setting.
- Actively modeling and encouraging students to value and respect themselves and others contributes to a safe, respectful learning environment and to responsible citizenship.

Health:

Physical, emotional, and social health, including nutrition are integral to a child's ability to learn.

Evaluation Methods:

Evaluation of student growth and achievement is crucial and is best done using a variety of individualized measures and methods involving students, parents, and teachers.

Fiscal Management:

Sound fiscal management responsibly allocates resources that align with stated values and goals.
