

HINSDALE COUNTY SCHOOL DISTRICT RE-1

Spring 2021 State Testing Opt-Out Form

Hinsdale County School District encourages full participation of every student in state assessments. Assessments are used at all levels to monitor student progress, address developmental gaps/concerns, and improve instruction by identifying specific instructional needs of students.

By opting out, I recognize that I will not receive results of my child's achievement and growth as measured by state assessments. I also understand that educators use these results for instructional planning and academic screening, and that this information will not be available to my child's educators.

To opt-out of state testing, this form must be filled out by the parent/guardian before testing. Call the school to schedule an appointment with Superintendent Rebecca Hall, (970) 944-2314. Bring the completed form to the school. (Forms are available at the school.)
