

Helping schools, families, and students harness the power of 1-to-1 devices responsibly.

Introduction

PHASE 1 Envision

PHASE 2 Communicate

PHASE 3 Implement

## Q&A for Families

In the text boxes below your selected questions, add responses that speak to your school's individual program. Share these handouts with families (and even your staff). Consider adding a title if you plan on creating a series of Q&As. Feel free to add a contact person at the bottom of this form.

**Title:** Lake City Community School iPad Rollout Q & A

How and when will the devices be distributed?

Will students take their devices home with them?

How are students and staff being trained for this 1-to-1 rollout?

Will there be ongoing education for parents and caregivers?

What are some basic tablet functions that I should know about (e.g., saving, data backup, printing)?

---

---

Will the school provide a case and/or accessories for the device?

---

How and where should devices be stored/cared for at home?

---

What is my family's responsibility for loss or breakage in school, out of school, or both?

---

Is there an insurance plan for devices bought by families and/or for devices loaned to families by schools or districts?

---

Is there an acceptable use policy (AUP)? Where can I find it?

---

What are the school's disciplinary consequences for inappropriate use?

---

How do any disciplinary consequences extend beyond the school day and off-campus?

---

How will schoolwork be affected if my child loses the privilege to use the device?

---

What is my family's responsibility in monitoring what my child does on the device at home?

---

Will the device need to be connected to the Internet to complete homework assignments?

---

Is the school using a content filter for Internet browsing?

---

Is there a way I can have similar filtering options at home?

---

What are the specs and configuration of the device?

---

Can my child and I configure or personalize the device in any way?

---

What are the expectations around using the tablet at home? Is it just for schoolwork or can my child use it for personal or entertainment reasons?

---

Who else can use my child's device?

---

What apps will be preloaded on the devices?

---

How will students learn to use the device and apps?

---

Can we purchase or install apps ourselves on the device?

---

Can we download free apps on the device?

---

Will students have email or other accounts?

---

---

How can I access or view my child's digital work?

---

Will we have access to the school's online content outside of the school day?

---

What kind of tech support will we have outside of school hours?

---

How can I help support the school with this 1-to-1 program?

---
