

Lake City Community School READ Plans

Colorado READ Plan Placement:

The READ Act focuses on K-3 literacy development, literacy assessment, and individual READ Plans for students reading significantly below grade level. READ Plans can continue beyond 3rd grade if a student is not reading at grade level and was identified and placed on a READ Plan before the end of 3rd grade.

The READ Act requires teachers to assess the literacy development of students in kindergarten through third grade in the areas of:

- *Phonemic awareness*
- *Phonics*
- *Vocabulary development*
- *Reading fluency*
- *Reading comprehension*

The READ ACT requires the creation and implementation of an individual intervention plan (called a READ Plan) for students identified with a significant reading deficiency. The Act requires specific components be addressed in a READ Plan, specific guidelines for parental involvement, and timeline of plan creation.
